February Book Club

For February, the Kilbourn Public Library will be reading *Three Junes* by Julia Glass. This novel is about Pat McLeod, a recent widower who travels to Greece and falls for an American artist. While there, he reflects on the difficulties of his previous marriage. After he passes away six years later, Paul's three sons are drawn back to Greece, their ancestral home. They later meet Fern, the artist whom Paul fell in love with. Following Paul's death and now becoming pregnant, Fern must decide on what family means to her. This book will move the reader by showing the power of kin and friendship! The book will be discussed three times in February: ***Wednesday, February 22, 1:30 p.m. at the library, *Monday, February 27, 12:30 p.m. at the Frank Fischer Senior Center and *Monday, February 27, 6:30 p.m. at the library.** Join us for lively discussion and treats. If you can't join us in person visit our book club blog at kplbookclub.blogspot.com. Each month KPL staff will post discussion topics and questions to get you "talking". Join in the discussion by adding a post to the blog.
